Vintage Oversized Wool Coat

Today

Hi! I saw you're interested in the wool coat. It's in pristine condition —honestly looks better in person than in the photos!

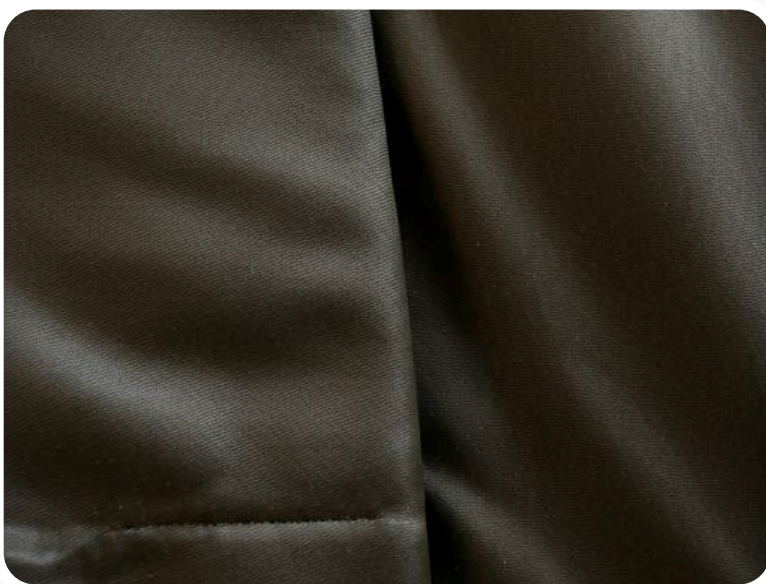

10:42 AM

Hello Elena! Yes, it looks beautiful. Does it fit true to size? I'm usually between an M and L.

10:45 AM ✓✓

It's a bit oversized by design, so I think an L would actually be perfect if you like that relaxed look. Here's a photo of the lining for you to see the quality.

That looks great! Would you be open to meeting at the Central Park entrance for the pickup tomorrow afternoon?
